1 April 1966

MEMORANDUM FOR: Chief, OXCART Division, OSA

SUBJECT: Revision of Commander's Report

25X1

1. I have no objections to the replacement of the [redacted] [redacted] with the proposed "Sortie Report". We are capable of receiving it now in the format given to you as a sample.

25X1

2. The data contained in a report of this type is ideal for the establishment of an historical file. Retrieval of this data can be provided on a very responsive basis to meet your needs. As a matter of information, we are currently providing this service for the IDEALIST program.

3. Based on the above suggestion, recommend a discussion to determine your requirements; i.e. retrieval by pilot, by aircraft, by time period, by failures, etc. [redacted] Chief Production Branch, [redacted] has been designated as project officer for the Automation Division.
